Mark, I neglected to read the cover note, which explains which items of mine were addressed and those that were not. I had a great conversation with Andrea who will chat with Gino about next steps vis a vis the DYI issue, which remains to be addressed. The IA will be all over that issue. Thanks.

David B. Fischer, M.P.H., J.D.  
Deputy Assistant Administrator

**Subject:** Asbestos RE and Associated Documents to pass on to OCSPP IO for IA/IA Review

All:

Attached are the following for review to go to the next step for asbestos – IA/IA review.

1. **Cover Note – PLEASE OPEN THIS FIRST**
2. Risk Evaluation (clean version – 1-17-20)
3. Risk Evaluation with all of David's comments (11-15-19)
4. P/chem data evaluation supplemental file
5. Env fate data evaluation supplemental file
6. Engineering data evaluation (release/occupation common sources)
7. Engineering data evaluation (data evaluation)
8. Exposure data evaluation supplemental file
9. Exposure data extraction supplemental file
10. Eco data evaluation supplemental file
11. Health data evaluation and data extraction supplemental file
12. Fact sheet
13. Charge questions

Thanks to the asbestos team: especially ORD folks, OGC and NPCD. A special thanks to Andrea for carrying the load for three years, one month and 17 days (but who is counting? Me!...I believe our first meeting was on December 1, 2016).....

Happy Reading,

Gino
